Short Description

The candle for attracting the energy of love and romance

Description

A totally pure, non toxic, clean burning, cotton wick energy candle with only natural essential oils.

Full of the special powers of love and the quintessence of romance made out of the symphony of

the mysterious Palmarosa, rosemary, ylang-ylang flowers and sweet aromas of mandarin essential oils.

If you're feeling nostalgic about romance, beautiful and generous relationships or if the longing for

love has already reached its peak - this candle for you.

In the box tied up with a silk ribbon, you will find a scented parchment "for attracting the energy of

Love and Romance" and a description book.

100 % natural soy bean wax, dermatologically tested;

100 % cotton wick;

natural essential oils;

burn for more than half the time a normal paraffin candle does;

does not contain particles of oil or toxic substances that could negatively affect health while

burning.

150g \pm 20g Average candle burning time: 60 hours.

Dimension: ø6,7cm, H 8 cm

Do not leave the burning candle unattended. Do not place near flammable objects. Keep out of the reach of children and animals. Due to the handmade nature of our products color, smell and weight may slightly vary.
